Re: *CooperVision Inc. v. CIBA Vision Corporation*  
C.A. No. 06-239 (SLR)

Dear Chief Judge Robinson:

Plaintiff CooperVision would like to put the following topics on the agenda for the discovery conference set for 4:30 p.m. today:

- (1) CIBA's refusal to provide responses to contention interrogatories regarding infringement and validity;
- (2) Production of documents from previous cases involving the Patents-In-Suit;
- (3) CIBA's search for responsive documents, including documents generated after the initiation of the litigation; and
- (4) The need for a follow-up discovery status conference.

Respectfully,

*/s/ Jack B. Blumenfeld*
